

## **ABSTRACT OF THE DISCLOSURE**

1        If the player achieves a winning combination of symbols on  
2   active pay lines, the player is provided with a second spin of the  
3   slot reels, but the first set of slot symbols are replaced with a  
4   second set of slot symbols that have higher potential payouts. If  
5   the player achieves a winning combination of symbols on active pay  
6   lines on the second spin, a third spin is offered with a third set  
7   of symbols with even higher potential payouts. As long as the  
8   player keeps winning on each successive spin, the symbols continue  
9   to be replaced with higher value symbols. Once the player loses,  
10   the symbols reset to the first symbol set. Each successive spin  
11   may be a free spin, or may require an additional wager for the  
12   successive spins, or the some of the successive spins may be free  
13   and others may be require an additional wager.
